### Description

'Poser' is a single-channel video intended to be viewed on a flat screen Sharp LCD Television, model number LC20S1UB, sitting

atop a black pedestal measuring 43 x 24 x 18 inches as illustrated in the photographs [in the object file]. The cables should run inside the interior of the pedestal through a 1 1/4" hole drilled into the top of the pedestal where they exit the television. In the event this isn't feasible, 'Poser' may also be projected onto a wall or shown on a monitor.
